- c) Using smiley emojis excessively
- d) Sending abusive comments online to make someone sad

## Answers

### 1. What is roasting?

- d) Ganging up on someone to mock or humiliate them

**Always be respectful to others when you are online:**

- **Think about what you post and how it may make others feel.**
- **If someone is struggling in the game you are playing, they are more likely to get better with some encouragement than if you give them a hard time. Help them out: offer them some tips. Remember what it was like when you were a noob (new player).**

### 2. Griefing is..?

- c) Deliberately sabotaging other players in an online game

### 3. An online troll is someone who..?

- c) Provokes and insults people online

**If someone gives you verbal abuse while you are on social media, you can find out how to report them on [www.reportharmfulcontent.com](http://www.reportharmfulcontent.com)**

### 4. Catfishing is..?

- b) Pretending to be someone else to bully or control others

### 5. Flaming is..?

- a) Sending abusive comments online to provoke a fight

**Sending abusive comments online is a form of cyberbullying. Lots of people get bullied online. Find out the facts and what to do if you are being bullied on our TechSafe - Bullying app.**

### 6. Fraping is..?

- d) All 3: pretending to be someone else online, logging onto another person's account, posting inappropriate content as someone else

### 7. What is outing?

- b) Sharing someone's personal, private or embarrassing information

**Talk to a trusted adult if something upsetting happens online. You can also call Childline (0800 1111) or download Childline's 'For Me' app (12+) and chat online to one of their counsellors.**

### 8. Swatting is...

- a) Making a false report of a serious crime to get a response from law enforcement (such as a SWAT unit)

### 9. What is sh\*tposting?

- b) Deliberately posting provocative or off-topic comments on social media to distract from the main conversation

### 10. Happy slapping is...

- a) Physical assault that is recorded on a smartphone and sent to others or posted online

**If someone sends you hateful messages, don't get drawn in to an abusive conversation. Retaliating - like sending back more negative comments - will only make the situation worse. Keep the messages to show to your trusted adult: it will help them to understand what is going on and stop the abuse.**
